Holy Rosary School, 1303 S. Green River Rd., Evansville, IN 47715, Ph: 477-2271, Website: www.holyrosaryrams.org

Dear Parents, Students and Staff,

Well, if the wind from September 14 is any indication of the winter we can expect, we'd better get out our arctic gear! We appreciate everyone's patience and understanding regarding the cancellation of school on Monday. We made the call to cancel at 5:30AM when we still did not have electricity, but we realize that the actual posting was delayed on two of the three stations. We're trying to follow up so that it is more efficient in the future. In addition, whenever possible, we will also post any delays, cancellations, early dismissals on our school website. However, please do not assume that if you do *not* see a notice on our website that it means there is none. It might just mean that we were unable to post it at all or on time. If you **do** see a posting, however, that should be accurate. **We will make up this lost day on Friday, October 10.** The only other fall day available is Wednesday, November 26 a much heavier travel day.

Due to the lost day on Monday, most of our classrooms will need to complete **ISTEP+** testing on Monday, September 22. This will make our make up days September 23-26.

Also included in today's parent pack is a double-sided page regarding **Youth Protection training for volunteers and for students as well as Internet Safety training** for students. Please be sure to read this information and respond accordingly if you need to go through the training as a volunteer at Holy Rosary. If you have any questions regarding whether or not you need the training, please contact Kairon Unfried at 471-7228 or Cindy Johnson at 477-8923 with your questions.

Please find included in today's parent pack a page titled **Cafeteria Online Pay Information**. We would appreciate your input regarding the information on this page.

May our words and actions reflect God's will working in each of us and may our prayers provide strength and peace to each one of us, especially His children.

For His children,

Joan Fredrich ☺

JOHN CHAPMAN

On September 26, 1774, John Chapman was born in a small town in Massachusetts. John spent his life traveling with the early pioneers and planting apple orchards. John Chapman praised God for giving him the sun and rain that helped the trees grow. He was a friend to the wild animals, and the Native Americans who knew him respected him as a medicine man. You many know John Chapman by his nickname, Johnny Applesseed.

THANK YOU

A big "THANK YOU" to Holy Rosary Parishioner, Annie Tampush, for the sewing of Prayer Cloths for all of the Holy Rosary homerooms.
