

The Tattler

Holy Rosary Totten Hall

August
2020

Welcome!

Welcome to the 2020-2021 school year. We are excited more than ever to see everyone walk in with happy, smiling faces each day!

We will email "The Tattler" each month with important information from school. We will also keep you up to date with pertinent information via email throughout the year.

Names on Everything

Do not forget to label all of your child's belongings for school such as their backpacks, lunch boxes, jackets, masks, etc.

Snacks

Your child's teacher will send a monthly snack list for you to know when it is your child's turn to bring in snack for the class. We promote healthy snacks and support the school wellness program. Suggestions: fruit, cheese sticks, crackers, pretzels, popcorn, etc. that is individually bagged. Please bring a bottle of juice, juice boxes, or milk to share on your snack day.

Power School & Titan

Power School is our NEW Student Information System (SIS) for student academics and family demographics. Titan is the NEW lunch account program. Once we have everyone's pertinent information, we will be able to send out your unique passwords for you to create your own accounts. Please let us know if you have any cell phone, email, or home address changes throughout the year.

Happy 78th Birthday Totten Hall Wednesday, September 16th

We celebrate Totten Hall's Birthday each year in special way. Each student may bring in a wrapped gift to donate to his or her classroom. Our PTO will provide snack and games! Please see your child's teacher to give you some ideas of what your child can bring as a classroom gift!

Mum Fundraiser

August 14-24

Order forms are attached to this email! All order forms and money need to be turned in to the school office no later than Monday, August 24.

Mums will be delivered and ready for pick-up on Wednesday, September 23, after 11:00 a.m.

Traffic Flow

Parents: You are doing an awesome job with dropping off and picking up your Preschool and Pre-K children without coming in any of our rooms in school. We appreciate everyone remembering to sanitize your hands and following our traffic flow by entering DOOR 6 and exiting DOORS 4 and 5. Keeping our students and staff safe and healthy is our top priority!

Please have your students to school by 8:15 each morning so they do not miss any of the learning and growing opportunities!

Avoid picking up your child between 2:30-3:10PM

Please try to avoid picking up your child from between 2:30-3:10PM. You will become part of the K-8 dismissal and will be blocked in. If you need to pick up during this time, please see Tracey Unfried for guidance in how we can make this work for you.

Masks

We are so proud of our students! They have been such troopers wearing their super hero and princess masks during the school day. We have purchased lanyards for each student to help them keep their mask with them while in school especially so they do not lose them during snack and lunchtime. It is a good idea to keep a spare mask in their backpack in case they break or get dirty.

GIRL NOTE: Hair up in a ponytail or in braids, it is much easier for them to put their masks on and off.

Looking Ahead...
