### A Message from Mrs. Fredrich

Dear Holy Rosary Parents,  
Congratulations, HRS family! We have almost completed the first semester!

Many thanks to our whole student body, **especially our 8th graders**, and to our faculty, especially Maggie Arabia, Linda Sanchez, and Trisha Smith for giving SO MUCH of their time and talent for the Advent program this year! Despite still dealing with the impact of Covid in our schools, we are making progress pushing forward together to get to the other side of this! What a wonderful blessing to be at this point in Advent together!

As the second quarter comes to a close, I want to thank our teachers and staff for their dedication and perseverance, for their problem-solving and "can do" attitudes, for all they have given up to take care of our children! I cannot say enough about their efforts and how blessed we are at Holy Rosary to have this amazing team be part of our school and church family!

Looking ahead...we will return to school on **Monday, January 3, 2022!**

I will continue to keep the students, families, faculty, and staff of Holy Rosary in my prayers. I pray everyone has a wonderful and blessed break. My heart is full of gratitude for the efforts of all of our staff and families to help us stay in school. Please continue to keep kids at home while they or a family member is being tested. This has benefited us time and time again. Thankfully we have only had four Covid cases since Thanksgiving. Despite still being in masks at school, we have hope that our local situation will improve over time (hoping for sooner than later, of course!).

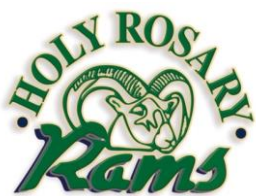

While we look forward to rest and time to step back from the hectic pace of school (I know I do!), it is important to remember that we are still pushing our way through this. Consider reviewing guidance for gatherings, wearing masks, practicing physical distancing, and healthy hygiene throughout the break. Each one of us, each family, plays a part in helping us to remain healthy and keep kids in school. During the winter break, we are asking that you continue to report any Covid positive students or close contacts to Mrs. Fredrich so that we can continue to help keep everyone safe and healthy. Please remember that while we're out of school we may have athletic practices/games, and we must continue to follow guidelines for all our student athletes, coaches, and fans. If you have anything to report or even have just questions for clarification, don't hesitate to contact Joan Fredrich. Please put COVID in the subject line of the email so that it draws my attention as quickly as possible.

The CDC/ISDH has released guidance on winter gatherings and travel that they asked we share with our school families. That guidance can be found [here](#) and [here](#).

Thank you all for your continued efforts, support, encouragement and prayers! As we finish this quarter, I feel joy and am filled with hope for the second semester. Let's all do our part!

May God bless you during these remaining Advent days of preparing and waiting! Come, Lord Jesus! Merry Christmas to all our wonderful Holy Rosary families and community!

God bless you!  
Joan Fredrich

Please remind your children to dress warmly and wear jackets/coats throughout the fall and winter months. We will continue to go outside for recess as much as possible, even when it starts to get cold! Please write names in all outer wear to prevent lost items.

### *Just Thinking, by Dr. James Schroeder*

Once again, we have almost reached the end of the year. For all the challenges of 2021, it is definitely a time that gives me a pause about all that this year has brought. I hope that all of you have a great holiday season and end to the year.

As we close out this year, I find myself struck by all the remarkable realities that exist each day, for which we are barely aware or don't even know. Among many areas, the mysterious phenomenon of movement in our lives and the universe are worth considering. I hope all of you will take a few minutes to read ["It Moves, Therefore It Is"](#) and consider this amazing reality, and what it may mean for all of us.

### Children's Collection

Listed below are some of the good deeds and talents submitted to recent Mass collections by our students, including the total collection amount. Please encourage your kids to bring their collection envelopes to Mass on Sunday or to the school office anytime. This year, the collection will be donated to the Society of St. Vincent de Paul.

Time: helped sister practice for recital, cleaned up toys, babysat my brothers, donated food, raked leaves, shared school supplies,

Talent: piano, theater, violin, cross country, music, archery

Treasure: \$26.05
