### **Holy Rosary Summer Social- June 1, 2, and 3**

We are getting ready for our awesome annual Summer Social! Mark your calendar to attend, and join us in our preparations by donating candy bars, 2-liters, cakes and more for chances to win ride bracelets/tickets or movie passes! Candy and drinks are due by May 13; cakes should be donated on May 31 or June 1, 2 or 3. See the enclosed flyers for complete details.

### **Order Your 2022-2023 Yearbook**

Use the [online order form](#) to purchase your 2022-2023 yearbook! Yearbooks are \$18 each and will be distributed in August.

### **21<sup>st</sup> Century Scholars Program**

Indiana's 21st Century Scholars program offers income-eligible Hoosier students up to four years of paid tuition at an eligible Indiana college or university after they graduate from high school, dependent upon financial need. In middle and high school, Scholars are connected to programs and resources to help them stay on track for college and career success. Once in college, Scholars receive support to complete their college degrees and connect to career opportunities. 7th and 8th grade Indiana students whose families meet income eligibility guidelines can apply to become a 21st Century Scholar. Applications must be received by June 30 of the student's 8th grade year. For more information or to apply, [click here](#).

### **Vacation Bible School June 19-22**

[VBS online registration](#) is now open for children age 4 through 4<sup>th</sup> grade! See the enclosed flyer for more information.

### **Orange Leaf Give Back Night- May 3**

### **Children's Collection**

Listed below are some of the good deeds and talents submitted to recent Mass collections by our students, including the total collection amount. Please encourage your kids to bring their collection envelopes to Mass on Sunday or to the school office anytime. This year, the collection will be donated to the Society of St. Vincent de Paul.

Time: helping Nana at the airport, preparing for Easter, cleaned the bathroom, praying the rosary, cleaned my room, read the Bible, babysitting

Talent: archery, acting, piano, singing, drawing, gymnastics, art, volleyball

Treasure: \$78.54

### **MHS Football Spirit Wear- Order by April 30**

Don't miss this opportunity to order your football fan gear and get it BEFORE the 2023 season begins. This special [POP-UP football spirit wear store](#) is closing on April 30<sup>th</sup>-order now!

### **Holy Rosary Kindergarten and 5th Grade students raise \$871 for *Granted*!**

Our Kindergarten and 5th grade students joined to make and sell greeting cards for the charitable organization, *Granted*, during Lent. Since 1985, *Granted* has served children of the tri-state area with terminal or life-threatening conditions by fulfilling their greatest Wishes. This assistance gives families respite from the physical, emotional, and financial burdens created by a life-threatening illness. Wishes provide strength, hope, joy, and a wonderful experience that the family can enjoy together and then treasure among their memories. We are proud of our students and their helpful hands! Visit [grantedtristate.org](http://grantedtristate.org) to learn more.

## ***Advertising Opportunity for Businesses on our Summer Social T-Shirts***

The Holy Rosary Summer Social is fast approaching on June 1, 2, and 3, and once again we are looking for t-shirt sponsors. We were fortunate in the past to have given **every** volunteer (over 800) a t-shirt. This has been possible due to the support of our advertisers.

The t-shirts are worn by our 800+ volunteers while they are working the three day Social, and many will continue to wear them out and about for years to come. They are always a hot commodity. In addition, our sponsors are thanked in our bulletin, Facebook, and Parish website. Also, AGAIN this year we will thank our Title, Platinum, and Gold Sponsors on our electronic sign on Green River Rd. In addition, every \$300 and above sponsor will get their own sponsor banner hung on the property from the time of commitment through September 1<sup>st</sup> for all parishioners, school families, and athletic visitors to see. The banner is then yours to keep afterwards. So, you will get a lot of BANG for your BUCK.

The sponsorship levels are as follows:

Title Sponsor	\$1,000.00
Platinum Level	\$500.00
Gold Level	\$400.00
Silver Level	\$300.00
Bronze Level	\$200.00
Booth Sponsor	\$100.00
(sign on a booth)	

There is a deadline of May 5<sup>th</sup>. If interested, please contact Christine Gilles at 812-477-8923 or [cgilles@evdio.org](mailto:cgilles@evdio.org)

Thank you in advance for your support of our 2023 Social. We consider our Social to be one of the best in town and with your help and generosity, we can continue our tradition.

Holy Rosary 2022 Summer -- June 1, 2, 3

Check out this recent article from Mrs. Kruse-Pauli, our Youth First social worker, that appeared in the March 24 issue of *The Message*. Great information!

## Benefits of decreased screen time

Over the last decade, there has been a boom in technology advancement, and in screen time for adults and children. As a result of the increased screen time, there has also been a noticeable increase in stress, anxiety and depression.

According to The Very Well Family, the average amount of time American children spend on a device of their choice is 4-6 hours per day. The American Academy of Pediatrics recommends no more than one hour a day for children ages 2-5 and no screen time for children under 18 months.

The benefits of limiting screen time for your child include, but are not limited to, improved sleep habits; better focus and brain function; increased academic success; decrease in obesity; better vision; and lower risk of anxiety and depression.

As we all know, limiting screen time is easier said than done in a society where we are so connected with social media, zoom, and FaceTime — and use devices so frequently for entertainment. The following are specific strategies for setting screen time limits at home:

- Set your daily limits and stick to them; doing this establishes clear rules for your child. This will be difficult at first; but in time, your child will learn what to expect. Try your best not to give in to bargaining and tantrums from your child as this will become a learned skill to acquire more time on their device.
- Do not allow your child to have any electronic devices in their bedroom. Children who have devices in their bedroom get less quality sleep and are more tempted to be on their device. Parents,

### ADVICE FROM YOUTHFIRST

JENNA KRUSE

set a bedtime for your child's device each night. Have your children plug their device into the charger in a designated space at a specific time each night. Set clear boundaries and

expectations.

- Monitoring the content that your child is taking in and sending out on their device is imperative. Children are impulsive and can click on links that can allow access to information they should not be receiving. Your child's device is your device. Monitor the texts they are sending and receiving; this will allow for learning lessons and discussions as needed.

- Create phone-free spaces. This boundary ensures that balance is found and that time on a device is not taking away from personal connections. This could look like setting all devices on airplane mode during family dinner or family game night.

There are many ways to help your child decrease their use of devices. Studies show that habits generally take a week to a month to form; but once changes are made, it does not take long to notice improvements. Your child's healthy future will be worth every tantrum, bargaining session or fight over your new boundary of decreased screen time.

Technology can be a very positive thing because it enables learning and connection. Allowing your child to use a device is okay; but help your child find a healthy balance.

Like gazing at the stars, the earth beneath our feet similarly provokes wonder in us: wonder at the precise and unexpected series of events leading to our existence; wonder at evidence of the patient preparation of the place we occupy; wonder at the gratuitous investment in materials and energy that fuel our productivity, form our buildings, power our devices, keep us warm and adorn us with beauty.

Careful attention to the natural world reveals that we are surrounded by profound signs left behind by pre-historic events, even to the beginning of time itself.
